

Participation in the e-Powerment Program

The undersigned person or entity ("Partner"), _____, authorizes e-Mission Control to retain a contribution to the e-Powerment Program equal to:

- Platinum Gift - Fifteen Percent (15%) and above
Over 15%, please specify _____
- Gold Gift - Ten Percent (10%)
- Silver Gift - Five Percent (5%)
- Bronze Gift - One Percent (1%)

of all Credits generated by Partner, or from Partner-related products or facilities, as a result of Services performed by or on behalf of eMC during the term of this agreement. eMC may deduct (or direct a third-party payor to deduct) the contribution from Credits or other payments generated or received after submission of each quarterly or other report to the applicable government agencies.

Partner's contribution to the e-Powerment Program is effective immediately at the time of signing, and will be continuous until such time as eMC receives written notice of the Partner's request to opt out. In the case Partner chooses to opt out and provides appropriate notice, participation will cease effective the following reporting quarter.

eMC will generate and deliver a contribution receipt to Partner annually which can be used to satisfy tax deduction requirements.
